

Protection of Personal Information

None of the personal data we collect from you is stored within PRG. The only way these data is used, is to contact you back. You will be contacted via the contact details you have intentionally given or left via our website contact from.

Your personal information is only available to authorised employees for purposes of contacting you, subject to your preferences.

We have implemented reasonable administrative, technical, and physical security controls to protect against the loss, misuse, or alteration of your data.

However, we cannot guarantee the security of information transmitted over the Internet or that unauthorised persons will not obtain access to personal data. In the event of a data breach, PRG will notify you and any applicable regulator of a breach where required to do so.
